GETTING TO KNOW YOU

Devotional by Elder Keith Freeman

THE POWER OF THE LIGHT IN US

Now that the New Year is upon us, we are reminded of the word of God that was given to us for 2019 which is found in 2 Timothy 1:7 For God has not given us a spirit of fear, but of power and of love and of a sound mind. Now there are many things that we all may fear in life and I'm sure we have some in common. One of the biggest fears could be the fear of the dark. Now there is a natural darkness which we can find at night or in a dark room, and there is a spiritual darkness where we may feel a separation from God and His truth. This darkness can rob us of our peace, our joy, our love and yes, our power, which is why God reminds us of what He put inside us and of who we are.

Hello From Helen

Hello Family,
Happy New Year and
welcome
to 2019!

We had a Candle Light Service this year for Christmas Eve. It was so powerful. In the middle of all the Christmas hustle and bustle we took a break to remember what this holiday is really all about, the birth of our Savior, Jesus Christ. At the end of the service, we all lit a candle from each other and held it up until the whole church was illuminated. It is a true blessing to celebrate this blessed night with all of you.

We got together for New Years Eve here at New Image Ministries. Our colors for New Years Eve were Black and Red, believe me there was so much black and red and everyone looked absolutely beautiful. We

It is only fitting that we ended the year in 1 John and in verse 5 John tells us that the message from God that He declares to us is that God is light and in Him is no darkness. Which means there is only peace, joy, love and yes, power! In the preceding versus John tells us that it is through fellowship with God and with each other that makes our joy complete. Because God is light, and the light of the world Christ Jesus lives in each one of us. Then it is through this fellowship with the light in each other that we will bring peace upon the earth, complete our everlasting joy, bring to the world an unconditional love, and unleash a mighty power never seen before.

David couldn't have stated it better in Psalm 27:1 when he said, "The LORD is my light and my salvation; whom shall I fear? The LORD is the strength of my life; of whom shall I be afraid?" The Lord is our light and He is our strength or power. We must continually remind ourselves and each other that because of the light of Jesus Christ that burns strong and brightly inside of us that we have power over the natural and spiritual darkness. As we fellowship with God through His word and fellowship with each other in His truth, we will see that the darkness in this world is defeated and has no place because the light inside us shines so brightly. By doing this we will light the torch in those

started the evening at 9:00 p.m. with some fellowship in the Gathering Place. We took turns getting our pictures taken in front of the Christmas tree in the lobby. At 9:30 p.m. we all went into the Sanctuary for an amazing service where both Pastor Phil and Pastor Michael gave us some inspirational words and thoughts for the new year as well as some powerful prayer. Our wonderful dancers "Spirit in Motion" danced while we all got up and enjoyed every minute of it. Of course, the praise team lead us in song and it was great. Pastor Phil Sr. gave us his words of wisdom and closed us out in prayer. After the service it was party time in our beautiful, newly renovated Fellowship Hall. Oh my goodness it was decorated so pretty by the Beauty and Glory committee, Vanessa Stephenson and Felicia Petruzzello. There were all kinds of goodies and lots of fun and love. At midnight/January 1, 2019, everyone went out in the back for the Fireworks. The pastors told us that this would be "Our Best Year Yet!" Good-bye to 2018 and Welcome 2019.

Until next month,
Love and blessings,

HAPPY

What an honor..to be your child,
With your gentle manner..so meek
and mild
You've unconditionally loved me,
for all of my days
And I apologize for my selfish
ways.

As long as I can remember your
children have come first.
You bring out the best of me, but
have seen me at my worst
You've stood by me through thick
n thin'
My best friend's know who you
are!!!
The first place winner in the "Best
Mom's Race"

You are my shining star.

I have to leave you for a while..
It's definitely not my choice
But you renew my will to live,
By just the sound of your voice.
Though we will be separated, and
far apart,
You'll remain with me, right in my
heart.
So I must leave you, but before I
go
There's something that I'd like you
to know

In all this world, there isn't another
Who can take the place of my
dear mother.
I love you Mom
