POWERFUL WORDS

Bible Message:

Hebrews 1:2 He holds everything together by what He says – powerful words.

On Wednesday night bible study, we have been speaking of the Christ in us, moreover that Christ is the life in everyone. In Hebrews 1:2 it says that Christ holds everything together/which means we hold everything together by powerful words

HELLO FROM HELEN HELLO FROM HELEN

Hello family,

Changes, changes, changes, there are oh so many changes to our beautiful church. All new floors and that's just for starters. The church office has been completely remolded; new Carpet, paint job and best of all, new furniture, still the same old administrator, lol. Pastor Michael's office has also been remolded and everything is just so beautiful. I can't wait to get here every morning because I never know what will change next and it is really exciting.

being the body of Christ. This understanding really stood out to me. So, the words we speak are important. Powerful words have the ability to create a new heaven and earth.

I would like to share an experience I had many years ago. I'm sure all of us will be able to relate to. My purpose is to show how we can make a difference in someone's life by speaking powerful words. Did you ever feel like your whole world was crumbling? That's what I felt at the time. Someone in the flesh (Christ) came full of compassion and spoke powerful words to me. What made them powerful were that they came from the mind of Christ. This person only referred me to what God says. It wasn't really what I wanted to hear, but deep inside myself I knew the words were true. These powerful words began to expand & and reshape my thinking. Things that I thought would be impossible according to my thoughts. I want to be honest, it wasn't what I wanted. Through these powerful words I began to realize I wasn't alone. I also felt God's presence so strong in me and through this other person. I needed someone to speak words of life that would not fail me. Faith seemed to awake in

Don't forget to visit the Gathering Place and Book Store Monday through Thursday from 10:00 a.m. till 2:00 p.m. There is always someone there who will be happy see you. It is a wonderful place to visit.

The 32nd anniversary of New Image Ministries is this month. I can't believe it. I wasn't here from the beginning but I feel like this has always been my home and now we are celebrating 32 years of New Image Ministries. We will begin with our annual "Congregational Meeting" and then a big celebration in the Fellowship Hall afterward. It is very exciting to be a part of such a loving church family. By the way, our color for the year remains the same, Indigo.

At the Congregational Meeting we will fill you in on all that is going on with the church including each ministry and its members. If you are not a part of a ministry and would like to be, please talk to one of us and we will find the place that would be just right for you. It's a great blessing and a great feeling to be part of any ministry.

We started a new book of the bible this year, Hebrews. Pastor Michael said that we be studying out of the Message version of the bible. He said that we need a fresh perspective because as we read the same version over and over again, it almost becomes automatic and if we read it with just a little different wording, but still meaning the same thing, we might get something new out of it. I tried it and of course, Pastor Michael was right, as always. It's going to be a wonderful year for our bible studies. If you have never been to a bible study here at New Image Ministries, they are: Virtuous Women on Tuesday night at 7:00 p.m., Wednesday night for all with

me like I never experienced before. I, on a personal level was being held together by Christ in the flesh. This has served as an example in my life. It was so life changing for me. Let us speak powerful words to each other.
