### **The Power of Forgiveness**

**In Genesis we read about Joseph who was sold by his brother to the Ishmaelites who sold him to the Egyptians. Years later, when Joseph was reunited with his bothers, he expressed his love for them, assured them they were forgiven, and that he had no ill will towards them.**

**God had opened Joseph's eyes to see that his brothers were instruments in God's hand. He said to his brothers, "you meant evil against me; but God meant it for good, in order to bring it about as it is this day, to save many people alive". Genesis. 50:20.**

**Joseph is a type of Christ. Jesus, the savior of the world was betrayed and handed over to the Romans to be crucified. Hanging on the cross He said, "Father, forgive them; for they know not what they do". Jesus knew all the people yelling, "crucify him" did not know, "what they meant for evil against Him, His heavenly father meant it for good to save all".**

**God has divine purpose in all things. The person(s) we think has offended us may well be an instrument in God's hand to save us. Joseph did not publish in the Egyptian newspaper or on social media what his brother had done. He looked to God, heard from God, and received peace from God.**

**In Bible study, Pastor Michael wrote, "The whole gospel is forgiveness". It is. Isaiah 43:25, "I, even I, am He who blots out your transgressions for My own sake. When God says it is blotted out, you and I are free. This is the power of forgiveness.**

**We are free when we believe it is for us and when we forgive, we free others. John 20:22-23, "And with that he breathed on them and said, Receive the Holy Spirit. If you forgive anyone's sins, their sins are forgiven; if you do not forgive them, they are not forgiven."**

**We can only forgive through the Christ inside of us. It is He who works all things by the council of His will which is love. 1Peter 4:8, "And above all things have fervent charity (affection, good will, love, benevolence, brotherly love) among yourselves: for charity shall cover the multitude of sins".**

**This is the power of forgiveness.**

## Hello From Helen

Hello family,

I can hardly believe that more than half of 2022 is already behind us. We took a vacation. The church office was closed for a week. We did get to see each other on Sunday. It's always so good to be back on schedule. One thing I love so much about our church family is that we are always here for each other no matter if it's on church grounds or anyplace else. We are a family and we are so blessed.

Pastor Michael, Anthony Freeman and Nicholas Freeman are always here to work on the church grounds. Eddie McIntosh and Valerie Richards and Tiger Lou Ruiz are diligently working on the "Victory Garden", Please feel free to visit the "Victory Garden at any time and now there is a new part of the garden on the back/side of the church. There will soon be all types of flowers growing there.

Take time to visit the Gazebo. Have a talk with God while you are out there. It's tranquil and it feels so good and that's not to mention the aesthetic beauty of it all. Again, we are blessed. I love our church and our church family.

Let me tell you about the book store; Elder Sandra Roman keeps up on so many beautiful gifts, cups, greeting cards, ties, wallets and so much more. The Book Store is open on Sunday's after service or, you can call me Monday through Thursday and I will be glad to help you.

I hope and pray that everyone has a wonderful August,  
Deacon Helen J. Caliendo

When hanging a picture frame, put a dab of toothpaste on the frame where you need the nails to be. Then simply press against the wall to leave marks (which can later be wiped) as guides for hammering in.

### **The Perfect Church**

**If you should find the perfect church  
Without one fault or smear,  
For goodness sake! Don't join that church;  
You'd spoil the atmosphere.  
If you should find the perfect church  
Where all anxieties cease  
Then pass it by, lest joining it  
You'd mar the masterpiece.  
If you should find the perfect church  
Then don't you ever dare,  
To tread upon such holy ground;  
You'd be a misfit there.  
But since no perfect church exists  
Made of imperfect men,  
Then let's cease looking for that church  
And love the church we're in.**

**Of course, it's not a perfect church,  
That's simple to discern  
But you and I and all of us  
Could cause the tide to turn.  
What fools we are to flee our post  
In that unfruitful search  
To find at last where problems loom  
God proudly builds His church.  
So let's keep working in our church  
Until the resurrection.  
And then we each will join that church  
Without an imperfection.**
