

WHO AM I?

You don't even know who I am?

Be careful how you treat me you don't know my connection to the one Whose my provider and protection.

Be careful how you speak to me and how your words may flow,

Rebuke in the name of Jesus, that spirit has got to go.

Be careful how you look at me with evil twisted eyes

I have the power to cancel out all the lies.

Be careful how you address me with every dirty name.

For I am a child of God

And in Him there is no shame

Be careful how you try and trick me

No weapon will ever succeed

For I am a child of God

Who supplies my every need.

Love,
