

THE PLANS 6/1/2025

By Donna Felton

See I was making plans but I forgot I have no Sense of direction

Realize God is my planner and connection.

See I was making plans but they all fell through;

I know God is the only one who knows what He wants me to do.

See I was making plans like I am the boss but it is He with plans who died on the cross,

See I was making plans but I was on the wrong track;

Because my plans, not His plans; so He had to bring me back.

See I was making plans but somehow lost sight;

For God is the only one with plans that win; always go right.
